DEKALB COMMUNITY COLLEGE ALUMNI ASSOCIATION
EXECUTIVE BOARD MEETING

Thursday, April 3, 1986

MINUTES

The meeting was called to order by President David Lewis at 7:00 p.m.

A report of the amount received to date for the Scholarship Fund was given by Lynn Eddy for Julian Wade. $1508.51 (minus service charges) is the current balance.

It was suggested that the Scholarship Fund account be changed from a checking account to an interest-bearing account. Lynn Eddy will get information on other types of accounts.

The main purpose of this meeting was to finalize the draft of the revised by-laws. The Board completed the draft and copies will be sent to the Board members after printing. It will be announced in the Spring Alumni Chronicle that copies will be available for review before the annual meeting to be held Thursday, May 29.

The meeting was adjourned at 8:30 p.m.

When the number has been acquired, we will proceed with changing the Scholarship Fund to a money market account or some other account to earn interest.
