Floor Discussion

Discussions during the meeting covered everyone’s concern about the effect the new logo and name change has had on the alumni. There was a lot of positive feedback on both by all the board members. Mr. Rosario then began the discussion of possible ideas for fundraising and getting our new logo the public. License Plates was brought up by Mr. Rosario, Jackie McMorris let the board know that she would have discuss this with a colleague for procedures in getting this to happen.

Mr. Larson asked for ideas on how to “get the word out” about our outstanding alumni, a video was the first and most popular suggestion. Board members also discussed outstanding students of past and present that deserve some recognition.

New Business

Mr. Rosario opened the floor to discuss “Goals and Activities” for the new board to look at for the future. Board members decided to choose five activities for the board to participate in. It was then decided to take a look at the goals already set before establishing new ones at this time. They will also wait for the official calendar of events before committing to anything.

Ms. McMorris brought the Alumni Association Brochure, to the board’s attention. The brochure will be another way to reach all alumni, and collect dues. The brochure will be designed to showcase the association’s goals and mission. Jan Selman-Koehn suggested a workshop for students to teach them the proper way to apply for scholarships, the idea got a favorable response from all board members.

The board decided to meet once monthly until the New Year, in order to get all our goals set for the upcoming year. Our next meeting will be held on September 2nd, 1998 at 6:00 p.m.
