

# Explore GPC Agreement Form

Georgia Perimeter College offers admission to non-degree seeking students, age 18 and older, who may enroll for a maximum of 12 semester hours, including institutional credit. Students may only enroll in courses for which there is no Learning Support prerequisite. Tuition and supply fees, lab fees, and special course fees are applicable. Financial aid is not available for students participating in *Explore GPC*.

Admission requirements that must be satisfied prior to admission into Georgia Perimeter College include:

- Completed and signed Application Form with application fee
- Immunization records
- Acceptable form of identification
- Signed *Explore GPC* agreement form.

After completion of 12 semester hours, students who wish to continue at GPC must meet all (additional) admission requirements including:

- Official high school transcript or official GED results
- Official transcripts from prior colleges and universities attended
- Appropriate placement evaluation

Students who wish to enroll in a class not listed must take and pass the appropriate placement test and satisfy any required pre-requisites. If the student does not pass the placement test, he/she may not pursue the course as a non-degree student.

Students who are on exclusion **for any reason** from any University System of Georgia institution may not participate in *Explore GPC*. Student may only enroll in courses for which there is no Learning Support prerequisite or any other course prerequisite. See list of courses below.
