| 6/5    | Ex. 29 - Blood Elements (#2,3 slide)  
Blood Typing Handout (PRINT & BRING TO LAB)                       |
| 3/10   | Ex. 30 - Anatomy of the Heart (#1,2,3)  
Sheep Heart Dissection *BRING GLOVES  
Ex. 31 – Conduction System of the Heart and Electrocardiography  
EKG Handout (PRINT & BRING TO LAB)                                 |
| 6/12   | Ex. 32 - Anatomy of Blood Vessels (#1-4)  
Blood Vessels of Cat (Cat Ex. 4 - #3,4,5) *BRING GLOVES                                                      |
| 6/17   | Ex. 33 - Human Cardiovascular Physiology (#1,2,4,5,7)  
Blood Pressure & Pulse Determination  
Review for Midterm Exam                                               |
| 6/19   | MIDTERM EXAM                                                                                                   |
| 6/24   | Midpoint of Semester – Last Day to Withdraw with W  
Ex. 36 - Anatomy of Respiratory System (#1,3)  
Respiratory System of Cat (Cat Ex. 6 - #1) *BRING GLOVES  
Ex. 37 - Respiratory Physiology (#3)  
LabPro – Respiration Handout (PRINT & BRING TO LAB)               |
| 6/26   | Ex. 38 - Anatomy of Digestive System (#1-8)  
Digestive System of Cat (Cat Ex. 7 - #1) *BRING GLOVES                                                          |
| 7/1    | Ex. 39 - Chemical & Physical Process of Digestion  
Starch Digestion by Amylase Handout (PRINT & BRING TO LAB)                                                   |
| 7/3    | Ex. 40 - Anatomy of the Urinary System (#1,2)  
Urinary System of Cat (Cat Ex. 8) *BRING GLOVES  
Ex. 41 – Urinalysis (#1)  
Urinalysis Handout (PRINT & BRING TO LAB)                                                                            |
| 7/8    | Ex. 42 - Anatomy of Reproductive System – Female & Male (#1,2,5)  
Reproduction System of Cat (Cat Ex. 9 - #1,2) *BRING GLOVES                                                       |
| 7/10   | Ex. 43: Physiology of Reproduction: Gametogenesis and Female Cycles (#2,4,6)  
Review for Final Exam                                                   |
| 7/15   | FINAL EXAM                                                                                                     |

*Dissection lab – GLOVES REQUIRED
ALL HANDOUTS MUST BE PRINTED BY STUDENTS, INSTRUCTORS WILL NOT SUPPLY HANDOUTS
(#) = Activities in each Exercise
This is a tentative schedule and subject to change.
