INSTRUCTIONS FOR ENLISTEM
LETTERS OF RECOMMENDATION

Thank you for agreeing to write a letter of recommendation for a student who is applying for the ENLISTEM Scholarship Program, a program designed to increase the success of STEM (science, technology, engineering, and mathematics) students at Georgia Perimeter College and to ensure that these students are retained, graduate, and transfer to four-year institutions. The ENLISTEM program will expose students to a variety of STEM-related activities including career discussions, field trips to STEM organizations, industry tours, as well as STEM Seminars and Academic Excellence Workshops.

Please evaluate the ENLISTEM Scholar applicant on the basis of preparation for the pursuit of an Associate Degree in the science, technology, engineering, or mathematics fields. Begin by identifying your relationship with the applicant and how long you have known the applicant. Feel free to provide any examples that demonstrate the applicant’s enthusiasm, desire, and motivation to pursue a career requiring a STEM degree.

You may e-mail or mail your letter of recommendation to the ENLISTEM Advisory Committee. Our e-mail address is enlistem@gpc.edu; please reference the student you are recommending by including his or her last name and, if possible, GPC ID number in the subject line. You may also mail your letter directly to Dr. Margie Lewkowicz at the address below.

Dr. Margie Lewkowicz
MCSE Department
Dunwoody Campus
Georgia Perimeter College
2101 Womack Rd.
Dunwoody, GA 30338

Thank you for your support of this student and his or her ambition to become both an ENLISTEM scholar and a successful STEM major.

If you have any further questions, please contact:

Dr. Margie Lewkowicz 770 274-5366 Marjorie.Lewkowicz@gpc.edu
Dr. Brooke Skelton 770 274-5564 Brooke.Skelton@gpc.edu
