EXECUTIVE TEAM: The Executive Team ensures that college-wide initiatives support GPC’s mission, vision, values, and strategic plan.

POLICY COUNCILS: The Academic Affairs, Student Affairs, Financial and Administrative Affairs, and Institutional Advancement Policy Councils, composed of faculty, staff, administrators, and students, focus on concerns unique to their area.

PRESIDENT’S POLICY ADVISORY BOARD: The President’s Policy Advisory Board approves or denies recommendations received via the policy review process.

STANDING COMMITTEES: Permanent college-wide Standing Committees include members from administration, faculty, and staff. Limited in number, these committees address pertinent college-wide developments.

COLLEGE-WIDE TASK TEAMS: Temporary Task Teams meet to resolve short-term college goals. Task Teams, which include representatives from all constituencies, generally conclude in less than thirty days. Policy Councils may also form POLICY TASK TEAMS to review policy.

THINK TANKS: Think Tanks, groups of 15-20 members, usually meet once or twice to share their views with the president on a specific topic.

OPEN FORUMS: The president holds open forums at each campus to gather input on major issues and to encourage college-wide participation.

STAFF SENATE: The Staff Senate advises the president and other administrators on matters that have a major impact on staff.

FACULTY SENATE: The Faculty Senate fosters communication between faculty, administration, and the Board of Regents, promotes discussion on trends in higher education, and oversees curriculum and academic programs.

PRESIDENT’S CABINET: The President’s Cabinet focuses on operations, planning, and budgeting to support organizational and academic excellence, service, and leadership.
