ENGL 0989

Attendance (Week 1)

- Explain the attendance policy and the withdrawal/failure consequences if students violate the policy.

Sequence (Week 1) (Week 8/9)

- ENGL 0989 → ENGL 1101 & ENGL 0999
- Students must complete the class with a 70+ class average, earn a grade of A, B, or C. Students not passing ENGL 0989 must repeat ENGL 0989.

Withdrawals (Week 1) (Week 4/5)

- If students are in danger of failing their Foundations class, they may withdraw from it by the midpoint of the semester. However, Financial Aid will be affected, and the students may have to pay back money. Students must see a FA advisor to get the details.
- If a student decides to withdraw, GPA will not be affected, and it does not count as an LS attempt.
- Remind students about mandatory instructor-initiated withdrawals that result from attendance policy violations.

LS Attempts (Week 1) (Week 4/5) (Week 8/9 emphasize here)

- Any grade in a Foundations class other than W counts as an LS attempt. Grades of A, B, C, IP, F, and WF count as LS attempts.
- Students in ENGL 0989 have 2 attempts to pass Foundations English.
  - If a student passes ENGL 0989 with an A, B, or C, and pass the writing sample:
    - One LS English attempt has been used
    - ENGL 1101 & ENGL 0999 must be taken the next semester
  - If a student does not pass ENGL 0989 with an A, B, or C:
    - One LS English attempt has been used
    - The student must register for ENGL 0989 again.
    - If a student pre-registered for ENGL 1101 & ENGL 0999, registration must be changed from ENGL 1101 & ENGL 0989 to ENGL 0989 as soon as possible, otherwise they may be dropped from all classes.
  - If a student does not pass ENGL 0989 on the second LS attempt with A, B, or C, the student will be suspended from GPC and all other USG institutions for one year and should contact an advisor in ACS for educational options.
