Can’t make it to the workshops because you’re in class or at work?

Now, you can request a workshop as easy as 1, 2, 3!

1. Choose your workshop topic for Math, English, Chemistry, Physics, or basic computer skills along with your preferred date and time.

2. Make a group of at least 3 people to commit to attend.

3. Click on the name of the campus Learning Tutoring Center (LTC) where you are interested in holding your group: [Alpharetta, Clarkston, Decatur, Dunwoody, or Newton].
