

CEUs...STAT!

Presented by: Richard Laurion

TARGET AUDIENCE: Advanced ASL signers and Working Interpreters

DESCRIPTION: Enhance interpreting skills and earn CEUs using exciting digital resources developed through the CATIE Center at the College of St. Catherine. These materials, specifically related to health topics, are designed to enhance the participants' familiarity with human anatomy, physiology, and medical procedures common to healthcare settings. Participants will be introduced to the CATIE Center print and CD materials designed for computers, and will walk step-by-step through the process of using the materials. Participants will be given activities to do in small groups using the information on the CD. They will also identify other materials available to use in skill enhancement activities as well as resources they can tap into to support their activities and earn CEUs for Certificate Maintenance.

WHEN: Friday, November 2, 2007 – 6:00 p.m. – 9:00 p.m.

WHERE: Georgia Perimeter College – Clarkston Campus – Building – D-1180 (Interpreting Lab)
