HEATHER BICKLING – MS, PA-C

Heather Bickling, MS, PA-C, is a Physician Assistant in clinical practice in Maryland. Working in both an Emergency Department near Baltimore, MD, and in a Family Practice Office in a suburb of Washington, DC, Ms. Bickling treats a wide range of medical problems in patients ranging in age from babies through the geriatric population. She earned her Masters Degree from The George Washington University in Washington, DC, and has been in clinical practice as a PA for over 10 years. She has special interest in the areas of Infectious Diseases and Orthopedics/Sports Medicine.

Ms. Bickling, a lifelong resident of Maryland, lives in Annapolis, MD, with her husband and dogs. She enjoys boating, running, cooking, and travelling.
