HEALTH AND PHYSICAL EDUCATION ADMINISTRATION

SUGGESTED COURSE OF STUDY:

- Health and Physical Education Brochure
- See a Health and Physical Education advisor if you must make changes to the plan of study.
Get to know your Health and Physical Education faculty in your major area.

- Stop by their office for help in a class, advisement or just to chat.
- Find out what will be expected from the senior institution.
- Ask which institutions are the best for your chosen area of study.
Remember: You will need letters of recommendation in the future. An instructor will be able to compose a higher-quality letter if he/she knows who you are.
