Math 1113 Committee Minutes December 3 (amended January 28)

Members Present: Said Bagherieh, Robby Williams, Madelyn Gould, Ilene Grant, Enefiok Umana, Behnaz Rouhani, Amos Darrisaw

Members with excused absences: Susan Nelson, Susan Keith, Sharon Sanders, Kim Bennett, Albert Lu

The Math 1113 committee met on Friday, December 3 at 1:15 at the Clarkston campus.

The committee discussed textbooks and approved the following recommendations:

**Textbook Recommendation 1**

The committee will send forward the following three texts for consideration by the mathematics discipline. In alphabetical order:

The committee will recommend that two books be approved by the discipline.

**Textbook Recommendation 2**

The committee will also send the following separate proposal relating to textbooks to the academic group:

**Development of Strengths and Weaknesses List**

The committee divided into three subcommittees to work on developing a strengths and weaknesses list for the four textbooks being considered.

Darrisaw, Gould, Nelson, Umana: Will review the material relating to functions, conic sections, and sequences and series
Bagheriah, Grant, Keith, Rouhani: Will review the material on polynomial, rational, exponential, and logarithmic functions

Bennett, Lu, Sanders, Williams: Will review the material on trigonometry.

The subcommittees will submit their reports to Robby no later than January 14. Robby will compile these into a rough draft and distribute by email. If necessary, the committee will meet on January 21 at 1:30 at Lawrenceville to finalize the strengths and weaknesses list.

Other Business

The committee decided to postpone the survey of faculty on curriculum changes until the end of spring semester.

Amended Textbook Information (January 28, 2005)

The executive committee met on January 21, 2005 and voted to recommend that the discipline vote against recommendation 2 of the Math 1113 committee.

The Math 1113 committee met via e-mail. By a 6 to 4 vote, the committee voted to submit all four textbooks on the regular textbook ballot with a recommendation that three texts be adopted.
