Attendance: Larry Hardy, Ming Her, Bob Koff (co-chair), Margie Lewkowicz (co-chair), Laura Lowrey, Virginia Parks, Larry Powell. Not in attendance: Mary Ellen Davis, Mary Sue Hall, Gerri Pringle.

I. Minutes from the previous meeting were approved.

II. Revisions and corrections to the Teaching Guide and Common Course Outline were presented, discussed, and approved. The committee thanked Laura Lowrey for her contributions to the editing effort.

III. The course assessment is tentatively scheduled for Fall 2007.

IV. The prerequisite change of “successful completion of a college level math course” was approved and will be sent to the math discipline committee and senate for approval and inclusion in the next GPC catalog.

V. Members were given a copy of an e-mail from Don Pearl through Andrea Hendricks, regarding a proposal for a common mathematics course for Early Childhood Education Majors. This course will be submitted to the Board of Regents by the BOR advisory committee, EPACC Math Task Force, as Math 2007 in Area F.

VI. Effort for recruitment will continue with flyers advertising Math 2030 and contacting Math 1101, Math 1111, and Education faculty. The Math 2007 proposal should increase enrollment.

VII. The textbook adoption time frame will be contingent on the proposed Math 2007 course and the Teaching Guide and Common Course Outline revisions. Virginia and Ming informed the committee of the uses and advantages of a Personal Response System (PRS) in the classroom.
