Georgia Perimeter College/Georgia Tech Admission Requirements
Dual Degree Engineering Program/Regents Engineering Transfer Program

To be considered for admission as a Dual Degree or RETP student, a student must meet the following requirements.

Admission Process:

1) Complete the GPC-RETP required course list within the following parameters:
   - Students must complete EACH of the first three groups (ENGR, MATH, SCIENCE) of the required course list with a minimum group GPA of 3.0
   - Students must complete the first three groups of the required course list with a minimum combined GPA of 3.0
   - Students must complete the fourth group of the required course list with a grade of C or better in each course

2) Complete and submit the Dual Degree/RETP recommendation form to a coordinator.

3) Complete the Georgia Tech Transfer Application (online via: http://www.apply.gatech.edu) by the October 1st application deadline for Spring semester and February 1st for the Summer and Fall semesters. You will need to select the RETP transfer option and supply your coordinator’s name and email address.

4) Pay the application fee online.

5) Earn a cumulative GPA of 2.7 for Georgia residents or 3.0 for Non-Georgia and International residents based on all college level course work and submit official transcripts from all colleges/universities attended. If you have attended any other college or university other than your home institution, it is necessary for you to send those transcripts as well. For institutions outside the US, a Course-by-Course with GPA evaluation from either Josef Silny (www.jsilny.com) or World Education Services (www.wes.org) is mandatory. The evaluation should be sent directly to:
   
   Office of Undergraduate Admission
   Georgia Institute of Technology
   Atlanta, GA 30332-0320

6) Completion of the On-line recommendation form by a coordinator. Your coordinator will be emailed the request based on how you filled out your on-line transfer application.

Note: Please print a copy of your Georgia Tech Transfer Application for your records.
