To be considered for admission as a RETP student, a student must meet the following requirements.

Admission Process:

1) Complete the GPC-RETP required course list within the following parameters:
   - Complete EACH of the first three required groups (ENGINEERING, MATHEMATICS, AND SCIENCE) with a minimum GPA of 3.0 per group.
   - Complete the fourth group of the required course list with a grade of C or better in each course.
   - Earn a cumulative GPA of 3.0 based on all college level course work. Please see No. 5 for more details
2) Complete and submit the Dual Degree/RETP recommendation form to a coordinator.
3) Complete the Georgia Tech Transfer Application (online via: http://www.apply.gatech.edu) by the application deadline October 1 for spring, February 1 for summer and June 1 for fall semester admission. You will need to select the RETP transfer option and supply your coordinator’s name and email address.
4) Pay the application fee as required in the application.
5) Earn a cumulative GPA of 3.0 based on all college level course work and submit official transcripts from all colleges/universities attended. If you have attended any other college or university other than Georgia Perimeter College, it is necessary for you to send those transcripts as well. For institutions outside the US, a Course-by-Course with GPA evaluation from either Josef Silny (www.jsilny.com) or World Education Services (www.wes.org) is mandatory. The evaluation should be sent directly to:
   
   Office of Undergraduate Admission
   Georgia Institute of Technology
   Atlanta, GA 30332-0320

6) Ensure completion of the On-line recommendation form by an RETP coordinator. Your coordinator will be emailed the request based on how you filled out your on-line transfer application.

Note: All students are subject to RETP Admission Requirements in place at the time of transfer. Please print a copy of your Georgia Tech Transfer Application for your records.

For more detailed information contact a campus RETP coordinator:
