Course: Foundation of Numbers and Operations

An eligible voter is
1) any permanent full-time, SACS-qualified instructor who is teaching the course during the current academic year or has taught it during the previous two years or
2) any full-time, SACS-qualified instructor, who is currently serving on the textbook review committee.

Complete all portions of the ballot.

Place an “X” if you agree with the adoption of the following textbook beginning fall 2014.

Return the ballot to your department chair by the following date: February 13th, 2014 by 3:00 pm.
